

You are receiving this because you have either registered for NETF1 Trench Rescue Technician 2022 or will be registering to take this class! This must be completed prior to attending class so get this completed ASAP! There is A LOT of information needing to be reviewed prior to hands on!

**Directions:** All information is located on the members only webpage

1. *Review Trench Rescue Technician PDF & take Test* - You must pass this test & receive a certificate to attend the Trench Rescue Skills Training
2. *Print off your certificate & keep for your records.* If you did not get a certificate, it means you did not pass the test.
3. *Review the Trench Lifting and Rigging & Trench Definitions*
